About Us

In the year 1981, PAREKHPLAST INDIA LTD. established itself as a rigid packaging manufacturer for plastic products. In over three and a half decades of its existence PAREKHPLAST has developed into one of the leading suppliers in India of plastic pails, bottles and containers for paint, pharmaceutical, food, bio- fertilizers, health care & cosmetics.

Our customers include Asian Paints, Berger Paints, ITC Agrotech, Britannia, Merck, Cipla, Wockhardt, Glenmark, Vini Cosmetics and many others. PAREKHPLAST operates through production facilities spread across western and southern regions in India.

PAREKHPLAST's continuous growth is supported by state of the art Quality Control facilities across all manufacturing locations, to ensure that the stringent Quality Standards of customers are met to the fullest. The Company, offers customers expertise in product development and consolidates packaging solutions with core focus on costs.

PAREKHPLAST is a highly quality conscious company having a clean room (Class 10000) facility as well as ISO 9001-2008, FSSC 22000 and cGMP certification. PAREKHPLAST has also received the Type III DMF (USA) certification which makes it capable to supply packaging material to the pharmaceutical industry especially for the highly regulated USA drug market.

PAREKHPLAST has earned its reputation by being customer friendly, providing correct products, flexibility in approach to customer's needs and high level of service.

The strong growth PAREKHPLAST has achieved year after year shows that the company has tapped a winning formula which is appreciated by its customers. By staying aware of the customer's needs the team at PAREKHPLAST will continue to put all its efforts in keeping them satisfied to the maximum level.
